6) I have no objection for the purchase of 10 sets of spare parts at the current recognised rates. The transport officer has stated that a number of Dodge Lorries in the Districts are lying idle for want of spare parts. Am I to understand that under the existing conditions the Department has more number of lorries than is actually required for normal use? If this is correct I would like to know why these lorries may not be disposed of instead of incurring heavy maintenance charges.

In enclosing a copy of letter No.TO 1826/46-47 dated 21/23rd Nov.46 from the Transport Officer, reporting that Messrs. Addision & Co. Bangalore, the authorised dealers in "Dodge" Lorry spare parts are not complying with~~out~~ our orders for "Dodge" spare parts on the plea of non-availability, that many of the "Dodge" lorries working in Districts are in need of new parts and proposing that 46 sets of "Dodge" spare parts, as per list enclosed, each set costing about Rs.610/- may be purchased, I have the honour to - state that as the Departmental Dodge lorries are of a very recent model viz. 1940 the parts for which are stated to be not easily available, it would be necessary, as sufficient, to purchase 10 sets of the - spares indicated by the Transport Officer to be kept in stock at the Transport Office.

I request you to kindly san obtain sanction of Government to purchase 10 sets of the spare parts specified in the enclosed list, at a total cost of about Rs.6100/- at Rs.610/- per set, as otherwise lorries may have to stay idle for want of spares.

from Transport Officer Bangalore

Copy of letter No.TO 1826/46-47 dated 22nd Nov.46 to the Addl.Director of Food Supplies in Mysore,Bangalore.

I have the honour to state that it has been found very difficult to get the spares for "Dodge"vehicles,and vans due to the fact that the only agent who supplies them Messrs.Addision & Co., has been replying every one of our order stating that the - materials are not available. I have already submitted the requirements of the Dodge vehicles,along with other vehicles that are at present at Bangalore in my letter No.T.O.1572/46-47 dated 2-11-46. When I inspected the lorries at Chitaldrug,Kolar and Mysore,recently I found number of our Dodge vehicles are lying sick due to number of parts having got worn out require replacement. The Dodge lorries working at Hassan and Tumkur also require the spares. Considering that the 1945 Dodge Model vehicles, 46 in number have already done more than 30,000 miles, it is better to purchase and stock the - under mentioned spares as it is found that Messrs.Addison & Co., are not supplying from ready stocks. As I have already intimated in my letter No.T.O.909/46-47,dated 4thSeptember 1946, in the event of - the District Transport work being handed over to private agencies, all the 1945 dodge vehicles, will be got back to Bangalore for - building the reserve fleet. And unless the spares are purchased well in time, the reserve fleet cannot be built up. As the cost of the spares will be above the Director's powers for sanctionk I request that Government sanction may kindly be obtained early.

I have also given the list of requirements for the 12 Ambulance Dodge Vans for which the Senior Surgeon in Mysore,Bangalore may kindly be addressed for sanction for the spares.
